

Become a member!

Our members keep the Delphi Opera House a thriving venue for cultural and educational programming serving Delphi and the surrounding area. Through their generous donations and volunteer efforts, our members support the maintenance of our breathtaking historic facility and the promotion of our exceptional programs. Without the support of our members, the legacy of the Opera House is not assured. Join or renew today and leave a legacy for future generations.

Membership is now simplified into one joint membership in both the Delphi Preservation Society, Inc., which owns and maintains the Opera House building and in Delphi Opera House, Inc., which oversees all programming and day-to-day operations. Members may join as individuals or households at the Basic level for \$50 or \$100 or may join the Limelight Society for \$1000. Donations above these levels are always appreciated.

See reverse side for membership form.
